

Rate Your Coach

Parents,

Please help us improve the overall youth sports experience by filling out an evaluation form for your child's coach. We want to recognize our great coaches and provide helpful feedback. Your feedback is important in our efforts to improve the sports experience in this community.

Your evaluation serves as a great tool for coaches to attain useful and immediate feedback on how they are performing at any time during the season. League administrators will have full access to evaluators' identities and results, while coaches will only be able to see anonymous overall results.

Required: In order to rate a coach you must have a coach's NYSCA member ID number. You may attain this number by simply asking your child's coach or League Director.

Step One: Go to <http://www.nays.org/RateYourCoach/>

Step Two: Enter your child's coaches Member Id (see list of coaches below)

Step Three: Fill out evaluation.

Thank you for your participation!

Jill Adams

Youth Sports Director
